| Name of team/Couple This name will be used by MC at Congress if your application is successful | | | |

Full performance length cannot exceed 3.5 minutes.

Performances play an integral part in the congress and we aim to provide maximum opportunity for all schools, teams, couples & professionals to demonstrate their work. Performance places are however strictly limited.

Performances will take place on Friday, Saturday & Sunday at lunch time and on Friday & Saturday night with a few performances also on Sunday evening. We cannot guarantee where you will be placed, this information will be released closer to the event, around August.

Applications close strictly April 30 2011 and successful applicants will be announced by the end of May 2011.

Applaud Productions requires all performers to sign a contract before their place in the program is confirmed, and until this contract is received your place will not be confirmed even if your application was successful.

In the meantime, if you have any queries, please do not hesitate to contact me on jada@brazilcentral.com.au or 0402 846 971.
